Smokeshield Australia

Frank Spiteri

I would like to take this opportunity in thanking you and your company on the professional service provided to Orotongroup (Australia) Pty Limited.

I would also like to say we are happy to provide Smokecloak a reference that you can use for other clients.

Orotongroup conducted a trial approx 2 years ago of introducing smoke security to 2 of our stores in Sydney using the Protect product.

In less than 2 years we found that one of the units was leaking badly and the other one continually beeping and is no longer in working condition.

Smokecloak have now installed a far superior unit to replace the Protect units and not only are they of a far superior quality but offer a 3 year warranty.

Regards
